Erebuni Armenian Saturday School  
582 Pleasant Street  
Belmont, MA 02478

Dear students and parents,

I want to extend a warm welcome to all of you. Welcome to “Erebuni” Armenian Saturday School!  
To all of our new school families, I thank you for choosing our school and allowing us to begin serving you and your children. To all of our returning families, I thank you for your continued belief in our school. It is your continued belief and support in us that allows our school to more effectively meet the needs of our students year after year.

We hope that you have enjoyed your summer vacation and that now, as September approaches, you are ready for a fun, productive and enjoyable school year. The teachers are looking forward to greeting you on the first day of school, September 11th – and wish you success in the coming 2010-2011 school year.

As parents, you play a critical role in your child’s education and future success. Schools with high levels of family support show higher achievement gains for their students. We need your help in supporting your child’s efforts by speaking to them in Armenian at home. Additionally, we encourage frequent communication between you and your child’s teacher. Also, please consider getting involved in the many activities we have planned for this year.

Due to student number increase, we need parents to volunteer during the lunch time. Upstairs has many corners and narrow corridors, so we are going to have a snack time in the downstairs big hall, where it will be easier to monitor all the kids. We need 2 volunteer parents each week for half an hour to set up the tables and after the snack time put them back. That will allow us, teachers, to go back to the classrooms right after the snack and continue to teach.

So please take a moment and go through the sign up sheet and let us know how you can volunteer to help. It’s mandatory. One Saturday a year will make a big difference.

Thank you for being part of the “Erebuni” Armenian School. See you in September.

Sincerely,

Arminé Medzorian
